Subject: Offer of Internship – AI Annotation Specialist

Dear Vaddeboina Akhil

On behalf of Student Tribe, we are pleased to offer you an internship as an AI Annotation Specialist. We were highly impressed by your credentials and enthusiasm, and we are excited to welcome you to our team.

1. Role and Responsibilities

As an AI Annotation Intern, you will play a critical role in the development and refinement of our artificial intelligence models. Your day-to-day responsibilities will include, but are not limited to:

Data Labeling & Annotation: Categorizing, tagging, and labeling complex datasets (text, image, audio, or video) based on specific project guidelines to train machine learning models.

Dataset Verification & QA: Reviewing pre-annotated data to identify errors, inconsistencies, or biases, ensuring the highest level of data integrity and quality control.

Model Training Support: Collaborating with our data science and engineering teams to feed high-quality structured data into AI pipelines, directly impacting model accuracy.

Guideline Optimization: Providing feedback on annotation tools and documentation to help streamline workflows and improve overall data processing efficiency.

2. Terms of the Internship

Date of Joining: Your internship is scheduled to commence on 05/06/2026

Duration: The duration of this internship will be for a period of 3 Months

Location: Tao Digital, CyberGateway, Raidurg, Hyderabad

3. Confidentiality : During your internship, you may have access to proprietary software, confidential datasets, and trade secrets of Student Tribe. By accepting this offer, you agree to maintain the strictest confidentiality regarding all company data and intellectual property.

Acceptance and Confirmation

Please review the terms of this offer. To confirm your acceptance of this internship and verify your joining date,

For Student Tribe,
Sri Charan Lakkaraju
Founder & CEO
